

# REAL ESTATE WEEKLY

## Printing House launches new duplexes

By REW Staff

3:07 PM, APRIL 19, 2013

The Printing House West Village celebrated the launch of its newly designed duplex residences with a series of events for real estate brokers, as well as Housing Works and Dering Hall, the online marketplace for interior designers. Developer Myles Horn and Corcoran Sunshine's marketing team launched sales with four homes designed by leading decorators including one created by the building's architect, Andrew Kotchen of workshop/apd .
